Abu Dhabi

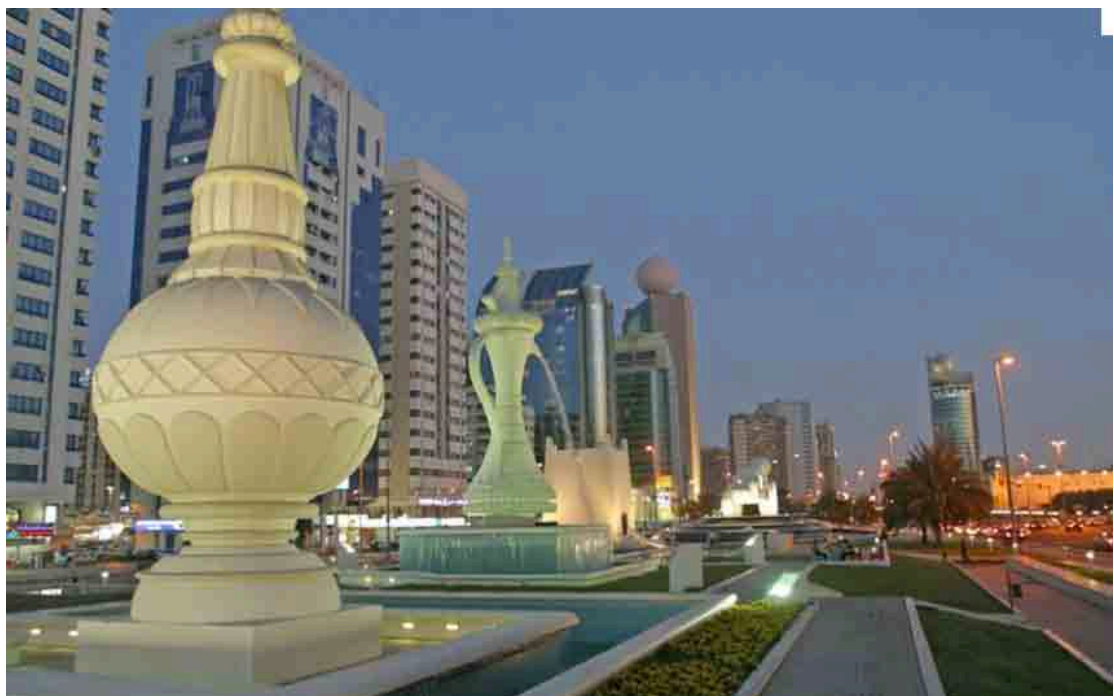

Discover the wonders of Abu Dhabi, capital of the Emirates, known as the Arabian Jewel, including Sheikh Zayed Grand Mosque. Jebel Ali Port, the biggest man-made port in the world is one of the landmarks that we pass by on the way to Abu Dhabi.

The first destination is the Sheikh Zayed Grand Mosque, one of the largest mosques in the world. We then continue to the Women's Handicraft Centre. Admire the skill and dexterity of local ladies making traditional handicrafts. This center was established to provide training and job opportunities for women in the region, as well as preserve and protect the local heritage.

You continue to the city through the well laid out roads, surrounding lush greenery, beautiful parks, and rows and rows of trees until you reach Abu Dhabi's oldest building, Al Husn Palace built in the 18th century, then visit Abu Dhabi's Sheikh Zayed Grand Mosque.

Enjoy a magnificent view of the city by driving along the beautiful Corniche and make a photo-stop at the Breakwater. We then visit the Heritage Village and journey to the past to explore the life before oil was discovered.
